Geneva Walker exclaimed, “What a sense of contentment when we hear from someone in Texas who received relief from depression or someone in Delaware who needs surgery and was healed!”

“There is nothing so satisfying as knowing you have been an encouragement to someone,” Walker said. “When we are in different concerts in the many states we travel in, there are so many people who walk up to us and report how they’ve been blessed and have had confirmation answered to things they’ve been seeking and praying for and they feel confident that God will work out whatever has been bothering them.”

“So from Florida to Texas, Oklahoma, Louisiana, Mississippi in the south to the New England state, to the Midwest and to the North East, reports of blessings received gives us an even greater desire to keep traveling the highways to promote what Jesus Christ can do,” stated Geneva.

And after hearing stories like these, it is easy to see why The Walkers believe the journey is worthwhile.
